Question or Comment	<p>Mr. Irving - I just heard a story presented by Lester Holt on NBC World News, and covered as well by our local affiliate, referring to a train derailment that just occurred in Oregon. The school near the tracks had to be evacuated. I'm sure the children, teachers, and parents were terrified. I've spoken before you re. the P66 proposal. I'm a retired teacher from Lucia Mar, and was instrumental in getting the Cal. Teachers Assoc. and the National Ed. Assoc. to write letters opposing this project out of the fear that exactly what just happened in Oregon would happen here. PLEASE read the details of this recent story and vote your conscience....this could happen here! Thank you. Kathleen Minck</p>
